# About HSA

The legal profession is changing rapidly in light of market disruption, changing client expectations and technological developments. Established in 2003, HSA's focus on continuing evolution has enabled us to constantly adapt to emerging market dynamics and deliver consistent value to clients.

We are a full-service law firm that prides itself on combining knowledge, experience and expertise to create outcome-oriented solutions and ensure our clients stay ahead of emerging opportunities and risks. Our areas of expertise include Projects, Energy & Infrastructure; Banking & Finance; Restructuring & Insolvency; Corporate & Commercial; Regulatory & Policy; Defence & Aerospace; Dispute Resolution; Environment, Health & Safety; Real Estate; Securities & Capital Markets; Technology, Media & Telecommunications; Taxation and Investigations.

We are a law firm built around people. We embrace collaboration while advising our clients and assemble teams of experts to bring the right talent to address every client issue. Our belief in delivering legal advice that recognizes each clients' strategic goals and business requirements allows us to offer pragmatic and implementable support across our platform of practices and sectors.

We measure our success by the service we provide to clients, irrespective of the size, scope and scale of the matter at hand. We are a team of 30+ partners and over 150 professionals based out of four offices across India's major cities – Delhi, Mumbai, Bangalore and Kolkata.

# Environment, Health & Safety practice

## OUR SERVICES

- Advise on extant environmental laws and their impact on clients' business
