On the review of the existing legal, regulatory, commercial and contractual frameworks and making appropriate recommendation for restructuring, including potential privatization of the 10 non-metro Airports in India

#### **AV FUEL INDIA HOLDING LLC**

On its proposed joint venture in India with Bharat Star Services for providing Fixed Based Operations across several Indian airports and providing full transaction support

#### **MUMBAI INTERNATIONAL AIRPORT LTD**

On its proposed bond issue of INR 500 crore which was to be privately placed and listed on a recognized stock exchange

On the bid process for airport land development by MIAL at Chhatrapati Shivaji Maharaj International Airport, Mumbai On the Term Sheet, Share Holders Agreement and Power Purchase Agreement for setting up a ground mounted solar photovoltaic power projects 40 MW AC (60 MWp) in the State of Maharashtra

On a writ petition challenging the order passed by the Ministry of Civil Aviation directing all JVC/private airport operators to refund/reimburse the total capital expenditure incurred by them out of Passenger Service Fee

On representing MIAL regarding levy and collection of Development Fee for the Chattrapati Shivaji Maharaj International Airport, Mumbai

On tariff determination and principles for tariff determination for the Chattrapati Shivaji Maharaj International Airport, Mumbai and levy of Development Fee towards the pre-funding of capital expenditure at the airport

On a petition under Section 86 (1)(k) of the Electricity Act, 2003 regarding applicability of Power Factor Incentive for electricity procured through Open Access

On an opinion pertaining to whether gross revenue forms a part of the Annual Fee from Revenue Share Assets for the purpose of calculation of "S" while computing target revenue as given in Operation, Management and Development Agreement

On negotiating the terms and conditions for buying power through open access from Tata Power Trading Co Ltd

On exclusion of MIAL from Government's policy to liberalize land use for airport developers under the National Civil Aviation Policy, 2016

On novation of existing Concession Agreement to a related party of the JVC (other than Airport Authority of India) by a third-party concessionaire and whether it will attract any restrictive and/or prohibitive provisions of the Operation, Management and Development Agreement

On whether ACSA Global Ltd is a Group Entity of MIAL as defined under the Operation, Management and Development Agreement dated April 4, 2006

On applicability of Government procurement guidelines for subcontracting operations at Chhatrapati Shivaji International Airport

On stake sale in Air India and the impact of the divestment especially with respect to the land banks held by Air India under expired arrangements with AAI

On the proposal of Central Government for establishment of Air Freight Station near Mumbai Airport

### ASSOCIATION OF PRIVATE AIRPORT OPERATORS

On various tariff related issues from time to time

#### **DELHI INTERNATIONAL AIRPORT**

On legal issues arising out of its day-to-day operations and functioning, including providing assistance and opinion on designing an appropriate strategy for power procurement

#### **GMR GOA INTERNATIONAL AIRPORT**

On legal strategy on compliance with the directions of the Supreme Court of India in several civil appeals

#### THE WORLD BANK

On providing assistance to NITI Aayog (Secretariat for the Committee on Infrastructure) for drafting Model Concession Agreements (on PPP basis) for two different types of airport development projects - Operation & Maintenance and city-side development of airports and greenfield airports

### CITY AND INDUSTRIAL DEVELOPMENT CORPORATION OF MAHARASHTRA (CIDCO)

On drafting, financing and finalization of the project documents, including RFQ, RFP, Concession Agreement and other related agreements and documents in relation to the development of a greenfield international airport in Navi Mumbai on PPP basis (This is one of the largest greenfield airport projects in the world)

On a rupee term loan to be availed by Navi Mumbai International Airport aggregating to an amount exceeding INR 13000 crore proposed to be granted by Yes Bank for the construction, operation and maintenance of the Navi Mumbai International Airport

On representing in the hearings before the environment committee in connection with the approval eventually granted by the Ministry of Environment and Forest to the Navi Mumbai Airport project

On representing before the High Court of Bombay in relation to issues affecting construction of airport facilities for Navi Mumbai Airport, within Mangroves and Coastal Regulation Zone

#### **GOVERNMENT OF GOA, INDIA**

On the development of a greenfield international airport at Mopa in Goa on PPP basis

On financing by Axis Bank of the greenfield international airport at Mopa in Goa being developed by GMR Goa International Airport

On a rupee term loan facility for an aggregate principal amount not exceeding INR 1330 crore along with a letter of credit facility up to INR 200 crore as a sub-limit thereunder granted by Axis Bank for the construction, operation and maintenance of the Airport at Mopa, Goa

### MIHAN INDIA, MAHARASHTRA AIRPORT DEVELOPMENT COMPANY (MADC)

On upgradation, modernization, operation and maintenance of Dr. Babasaheb Ambedkar International Airport, Nagpur through PPP on Design, Build, Finance, Operate and Transfer basis

#### **NITI AAYOG**

On legal scrutiny of documents for city side development of Netaji Subhash Chandra Bose Airport at Kolkata and Sri Guru Ram Das Jee International Airport, Amritsar-Phase I

### NATIONAL INDUSTRIAL CORRIDOR DEVELOPMENT CORP

On the Framework Agreements for development of greenfield airport at Alwar, Rajasthan

#### **MAHARASHTRA AIRPORT DEVELOPMENT**

On purchase of a Sikorsky 76D helicopter from Lockheed Martin Co

#### **PLANNING COMMISSION OF INDIA**

On the process of privatization of the Delhi and Mumbai international airports, including transaction structuring, redrafting of attendant documents, legal and regulatory aspects

#### **ADANI VIZAG COAL TERMINAL**

On the concession agreement with VPT for development of East Quay-1 (EQ-1) Berth and part of EQ-2 Berth for handling steam coal

### CONWARE (PUNJAB STATE WAREHOUSING CORP)

On the selection of an O&M Contractor and for formulation of the detailed terms of the agreement for the operation and maintenance of the container freight station attached to the JNPT Port

#### H-ENERGY

On the sub-concession and development of Jaigarh port Maharashtra in relation to 8 MMTPA LNG regasification project proposed to be set up next to the port

#### **INTERNATIONAL FINANCE CORPORATION**

On the drafting and finalization of the bidding documents and Terminal Services Contract, for the selection of a preferred bidder, undertaking the development, operations and maintenance of inland waterways terminal near Kolkata Port in Kolkata and 2 inland waterways terminals in Patna

#### **JSW INFRASTRUCTURE**

On drafting and finalization of a Port User Agreement with the Port of Fujairah, for the development, operations and maintenance of Berth No. 5 and Berth No. 6 at Port of Fujairah

#### **MUMBAI PORT TRUST**

On several matters of litigations regarding the issues either related to or against the Mumbai Port Trust

### CONWARE (PUNJAB STATE WAREHOUSING CORPORATION)

On the selection of an Operations & Maintenance contractor and formulation of the detailed terms of the agreement for the operation and maintenance of the container freight station attached to the JNPT Port

#### **NHAVA SHEVA (INDIA) GATEWAY TERMINAL**

On the development of a container handling facility with a quay length of 330 meters at Nhava Sheva in the State of Maharashtra

#### **PLANNING COMMISSION OF INDIA**

On the drafting, reviewing, finalising and structuring concession agreements in more than 300 PPP projects in the diverse areas, such as highways, railways, metro railways, airports, ports, water, waste management and Ro-Ro Ferry Service

#### **GUJARAT MARITIME BOARD**

On issues arising out of the Concession Agreement for the development of the Dahej Port Project

#### **MUMBAI PORT TRUST**

On drafting and finalization of the land use policy (including but not limited to the process and procedure for the allocation and taking over) for the land in the non-core area

On drafting and finalization of the bidding documents including the grant license contract for the deployment of the floating dry dock to repair ships at the Mumbai Port

On the selection of a preferred bidder for the installation of offshore and onshore submarine pipeline and terminal works on EPC basis for the  $5^{\rm th}$  Oil Berth at Jawahar Dweep in Mumbai Harbor

On reviewing the bidding documents for the selection of a preferred bidder for the operation and maintenance of a Floating Restaurant on license basis

#### **PORT OF MORMUGAO, GOA**

On development of Coal Terminal on Build, Operate & Transfer basis. This transaction was undertaken as a part of consortium being led by Deloitte

#### **JSW INFRASTRUCTURE**

On development of Berth No. 5 and No. 6 of the Port of Fujairah, so it can be utilized to its fullest

extent. This Project is perhaps the first major offshore investment by an Indian private infrastructure company in the Port Sector on Public Private Partnership – Build Operate Transfer basis

# STATE GENERAL RESERVE FUND, SULTANATE OF OMAN – THE SOVEREIGN WEALTH FUND OF THE SULTANATE OF OMAN

On proposed acquisition of special purpose vehicles, which are developing two minor ports (one operational and one at construction stage)

#### **TUTICORIN PORT TRUST**

On the development of eighth Berth as Container Terminal on Build, Operate & Transfer basis for a period of 30 years. This transaction was undertaken as a part of consortium being led by Deloitte

#### **VISAKHAPATNAM PORT TRUST**

On the development of Eastern Quay (EQ-10) berth and western quay (WQ-6) berth in the Northern Arm of Inner Harbour of Visakhapatnam Port for handling liquid cargo on design, build, finance, operate and transfer basis. This was undertaken as a part of consortium led by Feedback Ventures.

#### **VIZHINJAM INTERNATIONAL SEAPORT**

On the bidding process and finalizing the draft concession agreement based on the model concession agreement of the Planning Commission of India.

I) Advised on selection of the concessionaire, the independent engineer, and the safety consultant.

ii) Providing ongoing support and assistance in monitoring and execution of the project in terms of the project agreements, which includes advising on interpretation and implementation of the provisions of the Concession Agreement. iii) Drafting opinions, memorandums, correspondence, responses to Concessionaire on diverse execution issues from time to time, and other support, assistance and transaction advisory on issues arising under the Concession Agreement and related to the project

#### **VOPAK INDIA/CRL TERMINALS**

On issues regarding renewal of Kandla Port land leases

#### **RAILWAYS & METRO-RAILWAYS**

#### **BOMBARDIER TRANSPORT INDIA**

On bidding undertaken by the Ministry of Railways for electric locomotive factory project at Madhepura, Bihar

### DEDICATED FREIGHT CORRIDOR CORPORATION OF INDIA

On drafting a MCA for development of the Dankuni - Gomoh Phase - 1 of Dankuni -Sonnagar Section of Eastern Dedicated Freight Corridor on PPP mode

#### **DELHI METRO RAIL CORPORATION**

On review of different financing alternatives implemented in provisioning of metros in other cities, in both the developed and developing worlds with respect to pre-qualification of contractors in the pre-qualification norms for Phase –II of the Delhi Metro Rail

On bid documents issued by Delhi Metro Rail Corporation (on behalf of Kochi Metro Rail Limited) for selection of developer to implement Roof Top Solar PV System at depots and metro stations of KMRL

#### **ELECTRO-MOTIVE DIESELS, USA**

On its bid for the greenfield diesel locomotive manufacturing project of the Ministry of Railways, to be built on a PPP/BOT basis

#### **KEC INTERNATIONAL**

On their proposed bid for development of a rail network floated by Ethiopian Railways Corporation

#### **KEOLIS GROUP, FRANCE**

On a bid for the Operations & Maintenance contract in the Navi Mumbai metro project

#### **KUTCH RAILWAY COMPANY (KRCL)**

On the concession agreement for implementing parallel rail corridors to the existing project implemented by the KRCL for connectivity between Palanpur and Gandhidham in the State of Gujarat

#### **L&T METRO RAIL (HYDERABAD)**

On various legal and regulatory advice from time to time including on power procurement for the Hyderabad Metro Rail project

### MUMBAI METROPOLITAN REGIONAL DEVELOPMENT AUTHORITY

On structuring the transaction towards project development and financing of the Mumbai Trans Harbour Link Project connecting Sewri-Nhava Sheva in Mumbai and Navi Mumbai

### NATIONAL CAPITAL REGION TRANSPORT CORPORATION

On implementation of Regional Rapid Transit System corridor in the states of Uttar Pradesh, Rajasthan, Haryana and New Delhi

#### **NITI AAYOG**

On review and comment on the agreement for development and maintenance of Inter Modal Station at Ajni Railway Station, Nagpur on EPC mode

On legal issues pertaining to the project, review and finalization of the concession agreement for the greenfield Mumbai Urban Metro Rail Project, Phase I

On metro rail concession agreement drafted by the local authorities for the development of Hyderabad Metro Rail Project on DBFOT basis

On review and scrutiny of Model Concession Agreement for Urban Transport (Metro Rail Projects), prepared by the Planning Commission

On review and examination of DCA of Project, 'Mumbai Metro Rail Project - Corridor II of Phase I (Charkop-Bandra-Mankhurd)'

On review and examination of the draft concession agreement for Colaba - Bandra corridor of Mumbai Metro Rail on BOT basis

On Review and Examination of the Model Concession of Ministry of Railways for setting up of Electric Locomotive Factory and Transaction Documents for examination of Transaction Documents for Procurement-cum-Maintenance contract for Electric Locomotives.

#### **RAIL VIKAS NIGAM**

On structuring the legal and regulatory framework on specified rail linkages, including port connectivity projects, together with private sector participants

### SHANGHAI SIIC TRANSPORTATION ELECTRIC COMPANY, CHINA

On advising on the EPC contracts and joint venture agreements in relation to the development of Package 1 and Package 7 under Line III of the Mumbai Metro Project which is being implemented by the Mumbai Metro Rail Corporation and is probably one of India's largest project awarded in heavy civil infrastructure space

#### **SUCG INFRASTRUCTURE INDIA**

On providing legal services in connection with termination of all business legal relationships with IDEB relating to the Delhi Metro Rail Elevated Viaduct Projects (BC-7, BC-26 and BC-34), the Bangalore Metro Rail Project Reach-3 and the Noida Core Knowledge Park Project

### TRIL URBAN TRANSPORT & SIEMENS PROJECT VENTURES GMBH

On providing bid advisory in relation to the tender for the award of the concession for the Pune Metro Line III of the Pune Rail Metro Project on DBFOT basis by Pune Metropolitan Region Development Authority

#### **ENERGY & POWER**

#### **ADANI GREEN ENERGY (TAMIL NADU)**

On providing legal opinion on evacuation issues relating to their 640 MW solar project

#### **ADANI POWER**

On its 1320MW Thermal Power Project based on Super Critical Technology at Chhindwara in Madhya Pradesh

#### **ACME GROUP**

On setting up a facility in the Republic of Senegal, for generation and supply of electricity from solar generation and production of ammonia gas from an integrated facility

On drafting of the project documents with respect to setting up of a solar power plant

On providing transaction advisory support in respect of project development, structured financings and acquisitions of its solar energy project across the country

On negotiating EPC Contracts with AES Solar for the development of its solar PV projects in Gujarat and Rajasthan

#### **ADHUNIK POWER & NATURAL RESOURCES**

On reviewing, drafting and vetting EPC/Turnkey Agreement for Erection, testing and commissioning of Boiler Turbine Generator for 270 MW power project in Jharkhand and provided opinion on diverse issues from time to time its power projects

#### **AES CHHATTISGARH ENERGY**

On AES's +/- 1200 MW capacity integrated project under development comprising the power plant, a captive coal mine, a dedicated transmission line, dedicated coal transportation system and dedicated water supply system in the State of Chhattisgarh

#### **AES CORP USA**

On AES's Solar Energy interest/initiative in setting up Solar PV Projects in India, which projects will qualify for special feed-in tariffs and/or subsidies to support the high capital investments in Solar projects

#### **ASSOCIATION OF POWER PRODUCERS**

On reviewing the draft Model PPA and providing comments and proposed amended language and interacting with the commercial consultant in this connection, making presentations, and assisting APP in its interactions and presentations to the Ministry of Power/Planning Commission

#### **BAIN & COMPANY INDIA**

On providing opinion on various issues related to supply of power from thermal power project

#### **BERKELEY ENERGY RENEWABLE SINGAPORE**

On drafting and advising on the standard PPA for rooftop solar PV projects

#### **INABENSA, SPAIN**

On advising on the RFP and Contract documents including the Transmission Services Agreement

(TSA), Implementation Agreement and the Buy-Back Agreement; Risk identification and assistance in the preparation of bids invited by Power Grid for the Western Region
Strengthening System (WRSS) Projects "B" and "C"

On financing, development, and construction of a Transmission System associated with DGEN TPS (1200MW) of Torrent Power Ltd under the Public-Private Partnership route on BOOT basis

#### **INDIA BULLS**

On developing Power Generation Project for procurement of power on a long-term basis by CSEB from a Project comprising building, owning, operating, maintaining of 1200-1500 MW coal-fired thermal power project at Bhaiyathan in District Surguja including development of captive coal mines, coal transportation and power evacuation up to Raipur Load Center (Chhattisgarh)

#### **JSW ENERGY**

On drafting and negotiating the PPA for an Independent Power Producer with a PTC, for sale, on a merchant basis, of 200 MW of a 1200 MW thermal plant in the state of Maharashtra

#### **KALPATARU POWER**

On the execution of 'Transmission System Strengthening in India System for Transfer of Power from New HEPs in Bhutan'

On all aspects of setting up a 400-kV transmission line in Jhajjar, Haryana on DBFOT basis under a concession from the Haryana State Transmission Utility, including drafting and negotiating the EPC and O&M contracts for development, operation and maintenance of the transmission line

On the proposed acquisition of Korba Power Company engaged in the development of a 600 MW (2x300 MW) domestic coal-based pit head power project located in District Raigarh, State of Chhattisgarh

#### **POWER GRID CORPORATION**

On the Central Transmission Utility on issues in relation to the WRSSS II Project for strengthening of the Western Regional Grid

On drafting of transmission service agreement, revenue sharing agreement for the implementation of CERC (Sharing of Transmission Charges and Losses) Regulations 2010 and providing for payment of transmission charges on Point of Collection method

#### **LIGHTSOURCE RENEWABLE ENERGY (INDIA)**

On drafting of EPC Contracts in relation to the 50 MW solar power project awarded to the client (under NSM Phase II) in the state of Maharashtra

#### **RAMKRISHNA FORGINGS**

On review of the power sale agreement entered by Ramkrishna Forgings with ReNew Solar Daylight Energy for construction, operation and maintenance of a solar power generation plant with total capacity of 6 MW

#### **RENEW POWER**

On creating template term sheets for procurement of WTGs and for E&C Works for wind projects

On reviewing and negotiating project development contracts for its proposed wind power projects in Karnataka

On bid documents issued by SECI for selection of developers to implement 1200 MW of renewable power projects for generation through solar and/or wind coupled with energy storage

#### **RENEW WIND ENERGY (VAREKARWADI)**

On drafting and finalizing project development contracts for the development of a 40 MW wind power project in Madhya Pradesh

#### **SANSERA ENGINEERING**

On setting up of a group captive solar project in Karnataka

#### SEMBCORP GREEN INFRA

On the development of a solar power project in the State of Haryana by way of its 100 owned subsidiary Green Infra Solar Projects

#### STERLITE ENERGY

On the acquisition of the 1980 MW Talwandi Sabo Power Project in Punjab

#### **ADITYA BIRLA GROUP**

On its bid for an ultra-mega power project in Chhattisgarh

#### **AEON SOLARIS**

On the development of various roof-top solar projects and sale of power from such projects to building owners and to the grid on a netmetering basis

#### **CARGO POWER & INFRASTRUCTURE**

On setting up of 50 mw solar (thermal) power plant in Gujarat

#### **DB POWER**

On first of its kind structuring and drafting exercise for the development of 4x660 MW thermal power plant in Madhya Pradesh – Owing to the specific constraints of the seller i.e. Madhya Pradesh State Mining Corp

#### **DELOITTE TOUCHE TOHMATSU INDIA**

On review of the master service agreement forming a part of the request for proposal for appointment of a systems integrator for implementation of smart city solutions in Tirupati

#### **ENERCON WIND ENERGY**

On carrying out project and regulatory due diligence on a 150 MW greenfield wind power project being developed by the Counterparty in Tamil Nadu

#### **ENERGY EFFICIENCY SERVICES**

On developing a project structure for implementing energy efficiency projects and

providing a detailed report on the various project structure/risk allocation models in relation to risk mitigation in energy efficiency projects

On drafting the Energy Performance Agreement with Karnataka Renewable Energy Development Agency and the relevant electricity distribution licensees for installation of streetlight energy saver technology/Smart Energy Saver Units in Bangalore and Mysore

On drafting a comprehensive model implementation agreement with a built-in payment security mechanism for EESL to be executed municipal bodies for retrofitting of streetlights model implementation agreement for retrofitting of streetlights

#### **ENGIE**

On certain structuring aspects provided under the RfS document for a 250 MW National Solar Mission tender issued by NTPC, won by the Client, on BOT basis, to be in located in the Kadapa Solar Park, Andhra Pradesh

On certain solar power projects (at prebid/bidding stage, under implementation or completed) in various states in India

#### **MAGPIE HYDEL**

On the PPA for a hydro plant to be set up in the state of Jammu & Kashmir under the recent small hydroelectric power project policy of the Govt. of Jammu & Kashmir

#### **MARUBENI CORP JAPAN**

On providing legal opinion on issues arising under the PPA entered into by the Project SPV (DYNA MAKWOSKI Power Company – Client is an investor) with TANGEDCO for sale of power being generated from its 330 MW combined cycle power plant located at Nagai, Tamilnadu

#### **MEENAKSHI ENERGY**

On review of the general conditions of contract, erection conditions of the contract, technical specifications and revision of the EPC contract in relation to the intermediate coal feeding system

# MINISTRY OF RENEWABLE ENERGY AND PUBLIC UTILITIES, THE REPUBLIC OF MAURITIUS

On drafting and finalizing Energy Supply and Purchase Agreement and provided transaction advisory services for Design, Construction, Finance, Operation and Maintenance of a 25-40 MW wind park at Bigara, Mauritius

#### MIYAR HYDRO ELECTRIC POWER COMPANY

On issuing legal opinion for the purpose of the auditors in relation to the possibility of termination of the pre-implementation agreement for the Miyar hydro project awarded by Government of Himachal Pradesh

#### MOSER BAER GROUP

On its diverse Power Projects including setting up of Anuppur Thermal Power Station with a proposed capacity of 2400 MW in two phases located in the State of Madhya Pradesh, and also solar projects with a portfolio of around 300 MW located in the States of Gujarat, Rajasthan, and Orissa

### NABHA POWER AND L&T POWER DEVELOPMENT

On a regular basis on several matters including assistance with the diverse legal and commercial issues that arise from time to time with respect to the 2 X 700 MW Rajpura Thermal Power Project

#### SHYAM INDUS POWER SOLUTIONS

On an EWS Housing PPP Project of the Bhubaneswar Development Authority

#### **SN POWER**

On drafting and finalizing various agreements including a Master Trading Agreement (based on international model documents such as EFET and EEI for its power trading business in India)

#### **SPRNG AGNITRA**

On drafting of the EPC contracts for the 250 MW solar power project being set up in Ananthapuram Solar Park in the state of Andhra Pradesh which is slated as one of the largest utility-scale projects being implemented in the country

#### **SPRNG ENERGY**

On review and negotiation of EPC contracts for a 250 MW solar power project proposed to be set up in Andhra Pradesh

#### **STATKRAFT BLP SOLAR SOLUTIONS**

On drafting EPC Contracts for a 5 MW solar power project in Karnataka

On drafting the power purchase agreement for a 4 MW solar power project in Tamil Nadu

#### **SELI HYDRO ELECTRIC POWER CO**

On issuing legal opinion for the purpose of the auditors in relation to the possibility of termination of the pre-implementation agreement for the Seli hydro project awarded by Government of Himachal Pradesh

#### A LEADING POWER CORP

On implementation of an agreement for sale of power from a 300 MW capacity gas fired power plant with the Power Trading Corporation (PTC), which in turn has entered into an agreement for sale of power to the Bangladesh Power Development Board (BPDB) for onward supply of power

### AMPLUS ENERGY SOLUTIONS, BACKED BY I SQUARED CAPITAL

On drafting and execution of the set of captive documents including the power purchase agreement and the shareholders' agreement, negotiations with the counterparty i.e. Ultratech Cement and providing legal advice in relation to the implementation of the captive power project

#### **GLOBAL ENERGY**

On negotiating power purchase and power sales agreements towards its power trading business

#### **HARYANA POWER GENERATION CO**

On a project located in the State of Haryana, North India, on a long-term Power Sale Agreement with an electricity trader for procurement of Power for the State of Haryana, from a 70 MW hydro generating station in Himachal Pradesh and a 300 MW thermal plant in Chhattisgarh

#### HARYANA VIDYUT PRASARAN NIGAM

On the PPA to be signed between Adani Power and Haryana Discoms for long term procurement of 1424 MW power under Case-I

### HIMACHAL PRADESH ELECTRICITY REGULATORY COMMISSION

On various regulatory issues and bein retained in the capacity of legal consultants by the Commission for seeking advice on various jurisdictional and legal issues faced by the Commission

#### **HINDUSTAN POWER (MOSER BAER GROUP)**

On providing transaction advisory support for their various thermal, solar and hydropower projects with respect to project development, project financing and structured financing, acquisitions, divestments, joint ventures, corporate structuring and restructuring and other corporate legal advisory work and also litigation support, arbitration support, regulatory processes and actions to be filed and prosecuted before regulatory commissions

#### ISN INTERNATIONAL

On its proposed investment in a greenfield 2000 MW thermal power generation project

#### **INDIA POWER CORPORATION**

On contractual issues in the power purchase agreement (PPA) between MEL and PTC and the back to back PPA between PTC and BPDP, in connection with supply of 200 MW capacity to Bangladesh

#### **NSFD SOLAR LLP**

On PPA for sale of power from a roof-top solar project being set up by NSFC

#### OMNIBUS INDUSTRIAL DEVELOPMENT CORPORATION, DAMAN & DIU AND DADRA AND HAVELI

On setting up of a Power Project for a power generation project of +/- 1000 MW, based on PPP model

#### **ORANGE ANANTAPUR WIND POWER**

On an applicable methodology for considering the deviation in generating assets of the Orange Anantapur Wind Power Private under the regulatory framework.

#### **OSTRO ENERGY**

On the effect of proposed amendments by NTPC in model solar PPAs for Jawaharlal Nehru National Solar Mission Batch II projects in Rajasthan on payment security

On providing a legal opinion on queries relating to PPAs in Andhra Pradesh and Karnataka and

their linkage to the competitive bidder and drafting EPC contracts for solar and wind projects

#### **ORIANO CLEAN ENERGY**

On assisting with the structuring, negotiating, and drafting of the EPC contract for setting up a 50 MW captive solar power project in Chhattisgarh

#### **POWER SECTOR REFORMS IN GOA**

On the implementation of the provisions of the Electricity Act, 2003, that includes restructuring the sector

#### **TATA POWER**

On bidding to hydroelectric projects in Himachal Pradesh

On the bidding process prescribed under Coal Mines (Special Provisions) Ordinance, 2014, the Coal Mines (Special Provisions) Rules, 2014 and the auction modalities specified thereunder

On various issues pertaining to its investment in Bhumi – a leading Indonesian mining and infrastructure conglomerate

On the entire gamut of regulatory and legal approvals and on diverse issues that arise in the course of offering bids for the construction, development, and operation of power plants to be set up in different states in India

#### **UTTAR PRADESH POWER CORP LTD**

On the selection of a developer for the 1320 MW Jawaharpur Thermal Power Project

On reviewing the tender documents and contracts for a 1980 MW thermal power project

#### **VELCAN ENERGY SINGAPORE**

On the implementation of Heo HEP, Pauk HEP and Tato-1 HEP by Heo Hydro Power, Pauk Hydro Power and Siyota Hydro Power

#### **WILLIAM J. CLINTON FOUNDATION**

On setting up Solar Parks in the states of Gujarat and Rajasthan

#### OIL & GAS

### ALL INDIA GAS MANUFACTURERS ASSOCIATION (AIIGMA)

In a civil suit before Saket District Court, Delhi, filed by two members against termination of their membership from the Association

### **BG EXPLORATION AND PRODUCTION INDIA** LTD (BGEPIL)

In relation to BGEIPL's Panna Mukta Tapti (PMT) joint ventures' new SBM system and pipeline project in Panna Field off Mumbai Coast and on its day-to-day legal issues

#### **B.G SHIRKE CONSTRUCTION TECHNOLOGY**

In relation to assignment of interest in Manepalli Onshore Marginal Gas Field/Rajahmundry Asset

#### **BANK OF BARODA**

On financing transaction in respect of 26 MW gas based captive power project being setup at Bawal Industrial Area, Bawal, Haryana, India

#### **EG GAS**

In relation to the development and establishment of a retail chain of auto gas outlets across eastern India and on listing the project on the AIM

### ENSEARCH PETROLEUM (PLATINUM OIL & GAS GROUP OF COMPANIES)

On its entire portfolio of oil blocks/entire oil and gas business, including E&P, including for the blocks located in Nigeria, Cambay, Sirhan, Georgia, Australia and Middle East, including drafting, negotiating and finalizing bidding proposals, Production Sharing Contracts (PSCs), Joint Operating Agreements, Farm-out and Participating Agreements and other related transaction documentation

On the farm out transaction pertaining to its Sirhan Oil Block located in the Hashemite Kingdom of Jordan

### **LEIGHTON INDIA (OFFSHORE OIL & GAS DIVISION)**

On B-46 Offshore well Head Platform Project Tender, by ONGC, and representation before the Independent External Monitor

#### **NEON ENERGY**

In relation to acquisition of an Oil & Gas block in India

### OMRO SEA ACQUISITIONS (SINGAPORE) AND OMRO (CAYMAN ISLANDS)

On the acquisitions of JVS Engineers and JVS Industries - a leading global oil & gas production and drilling equipment manufacturing company

#### **ONGC VIDESH (OVL)**

On drafting of legal opinion for breach of oil & gas contracts (production sharing agreements, sale and purchase agreement) and breach of oil & gas pipeline construction contract

On a financial assistance of an amount of USD 14.5 billion being granted to OVL and other concessionaires of Area 1 Offshore Block of Rovuma in the Republic of Mozambique

In relation to multiple international commercial arbitrations seated in London, U.K. and Dubai under the arbitral rules of UNCITRAL arising out of an oil and gas exploration and production project and an oil pipeline transportation project in Africa SBI Global Factors

In an international commercial arbitration seated in London, United Kingdom administered under the UNICTRAL Arbitration Rules arising out of a dispute caused by a breach of contract pertaining to construction of pipeline for transportation of crude oil and breach of a sovereign guarantee issued by the sovereign to back its obligations under the underlying contract

#### **ESSAR PROJECTS (INDIA)**

In relation to sub-contract agreement and providing legal advice with regard to EPC projects in Venezuela for PDVSA, which is a state-owned oil company

#### **GAIL (INDIA)**

On a LNG Terminal Commercial Operation and Regasification Agreement with Ratnagiri Gas and Power (RGPPL), in relation to RGPPL's 5 MMTPA LNG Terminal in Ratnagiri, Maharashtra

On legal issues being faced by the client in relation to advance to be provided for O&M and construction of breakwater for a LNG Terminal held by the client in joint ownership with other companies

On regasification pricing issues being faced under a Gas Sale and Purchase Agreement entered into by the client with PLL

On LNG Terminal Commercial Operations and respective Master Sale and Purchase Agreement as well as multiple time-sensitive issues relating to delivery of goods under the respective agreement with Buyer and Terminal Operator

On legal vetting of a draft Letter of Acceptance which would be used as a template Letter of Acceptance for all future appointment at the respective level to prevent issues, including but not limited to, destructive outflow of confidential information of the employer and employee disputes including disputes of a contentious nature.

### GUJARAT STATE PETROLEUM CORP (GSPC) WITH GOVERNMENT OF INDIA

In relation to Presidential Reference and also advised on GSPC, Niko Resources and Government of India on various pipeline disputes

#### **ONGC NILE GANGA B.V**

In an international commercial arbitration seated in Dubai, UAE administered under the UNCITRAL Arbitration Rules arising out of a dispute caused by a Sale and Purchase Agreement

In an international commercial arbitration seated in London, United Kingdom and administered under the UNCITRAL Arbitration Rules arising out of a dispute caused by an exploration and production sharing agreement

#### PLATINUM OIL & GAS AND ITS GROUP COMPANIES INCLUDING ENSEARCH PETROLEUM

On their diverse legal and regulatory transactions, including acquisition of assets, establishment of joint ventures, acquisition of companies, oil blocks and financing issues and other corporate matters in several jurisdictions in addition to India, i.e. West Africa (Nigeria), Middle East (Hashemite Kingdom of Jordan and Dubai), Canada (Calgary) and Southern Australia (Officer Basin Region), Georgia (CIS)

#### PETRONET LNG

In relation to all downstream contracts for its LNG Terminal in Dahej, Gujarat to review and advise on multiple LNG Sale & Purchase Agreements; multiple Gas Sale and Purchase Agreements; Gas Transmission Agreement; Gas Tolling Agreement; and Extraction Agreement for higher hydrocarbons

In relation to all downstream contracts for its LNG terminal in Kochi (Kerala) - LNG SPA, GSPA, GTA etc.

#### **GREAT EASTERN ENERGY CORP**

In relation to issues being faced by the Client with the Ministry of Oil, Petroleum and Natural Gas in connection with sale of CBM gas by the client

### HINDUSTAN OIL EXPLORATION COMPANY, GSPC AND CANORO RESOURCES

On drafting and vetting of diverse Productions Sharing Contracts, Joint Operating Agreements, Gas Supply Contracts, Rig Contracts and related documents

#### HLS ASIA

In relation to drafting of a comprehensive compliance checklist for each business vertical exclusively and catered to sector specific compliances namely, labour specific compliances, and environment specific compliances

#### **H ENERGY**

On Petroleum and Natural Gas Regulatory Board rules regarding grant of access to common carrier pipelines for natural gas while acting against GAIL and GGCL in relation to some of their pipeline operations in the Western region

#### **INDIAN OIL CORP**

In relation to review of Gas Transmission Agreement and drafting of Side Letter, drafting LNG Sale and Purchase Agreement and Lease Deed for Movables (Holding Tank), review and advise on Gas Sale and Purchase Agreement as joint counsel for PLL, IOCL, GAIL and BPCL, Gas Transmission Agreement averse to GAIL and drafting and negotiating Gas Sales Agreement averse to Pragati Power Corporation

#### **PETROBRAS**

In advising the Brazilian State oil drilling company, in its bid for deep sea acreages under the New Exploration Licensing Policy (NELP) Vth round of bidding being conducted by the Government of India for awarding oil and gas exploration acreages

#### **QUIPPO OIL AND GAS INFRASTRUCTURE**

To provide equipment finance to Ecogreen in relation to a tender awarded by the South Delhi Municipal Corporation, on a long-term basis to Ecogreen

#### **SOJITZ CORP (TOKYO)**

In relation to the proposed transaction for supply of helium gas to Sesa Sterlite

#### SUNTERA OIL AND GAS (PART OF SUN GROUP)
